Thank you very much Anne, it was a pleasure meeting you! The minutes look good from the BID's end.

Can you please send me an electronic version of the presentation you provided at the meeting? BSL has provided the different lighting options but we are going to visit the project sites before we make our recommendations.

Thank you, Anne.

I wanted to let you know that I conferred with staff regarding any further outreach that is needed. We'd like to pursue the course that was brought up at the meeting last week – once necessary details are finalized, we can organize a community meeting in the area and then blast the word out to local folks: residents, businesses, neighborhood councils, etc.

Please let me know what BSS's preferred timeframe would be for this community meeting.

Hi Dan,  
thanks for sending me the update.

Our/BSS preferred time will be around mid June during the day time for the community meeting.  
But we can accommodate evening time as well.  
Let us know when will be the best time for the community.

With the discussion with UFD,  
we recommend either African Fern pine or Pink Trumpet tree.  
See attached file for the tree information.

Thanks in advance!

Hi Anne,

Hope you had a nice weekend. I think, for community meeting purposes, it would be most sensible to do an evening meeting. That would ensure higher turnout.

How about **6 PM** on either **Tuesday 6/23** or **Wednesday 6/24**?

Would either of those work?
